

For immediate release

SUNTEC CONVENTION CENTRE WILL REMAIN CLOSED FOR
BUSINESS UNTIL AUGUST 2020

30 April 2020 - In view of the extension of the "Circuit Breaker" period to 1 June 2020 and with restrictions on large gatherings likely to remain in force thereafter, Suntec Singapore will be extending the temporary suspension of operations to 2 August 2020.

Arun Madhok, Chief Executive Officer of Suntec Singapore said: " The prevailing regulations do not permit any events up to end May, and most events until August have also been postponed to later dates. In these uncertain times, with a lack of clarity on when the situation would improve, it is vital that we implement proactive measures to control costs, protect jobs and prepare for the resumption of business in the near future."

Our customers are important to us. Team Suntec will continue to serve our customers and the sales hotline will remain available for enquiries during regular working hours.

The health and safety of our guests and staff remains our top priority. We stand in solidarity with the community and will work closely with the authorities and all stakeholders to overcome this unprecedented crisis.

We look forward to welcoming our guests back to the Suntec Convention Centre again soon.
