High Quality Grade A Property

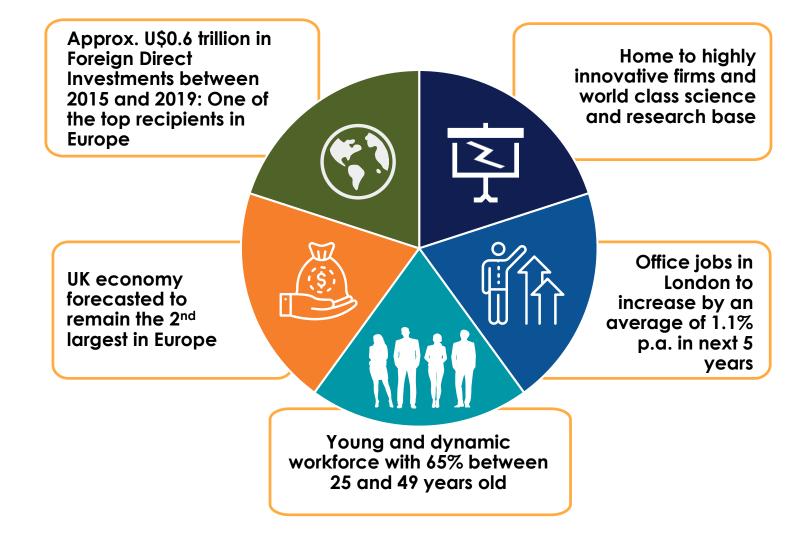

Strategic Fit with Suntec REIT's Existing Portfolio

Rationale for Expanding into UK

111

Strong Fundamentals of the UK Economy

UK is a Highly Attractive Investment Destination

Sources: JLL Research dated September 2020 and Statista

London's Commercial Property Market

2009-2024E

CBD Office stock is the largest amongst key European cities, providing liquidity for investments

Vacancy rate to remain stable due to limited new supply Office Leasing demand supported by London's attractiveness as a global hub for businesses and talent to converge

Prime rents in West End expected to improve in the medium term underpinned by limited new supply and recovery of economy

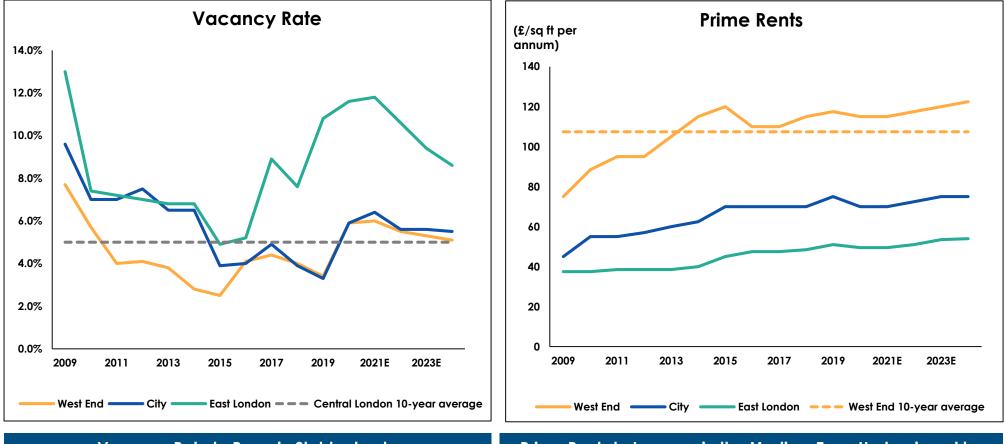

Property Market is Expected to be Resilient in the Long Term

Source: JLL Research dated September 2020

Central London's Property Market

Vacancy Rate to Remain Stable due to Limited New Supply Prime Rents to Improve in the Medium Term Underpinned by Limited New Supply and Recovery of Economy

Future of Offices

More space needed to maintain physical distancing

Full Impact of COVID-19 Not Clear At This Stage

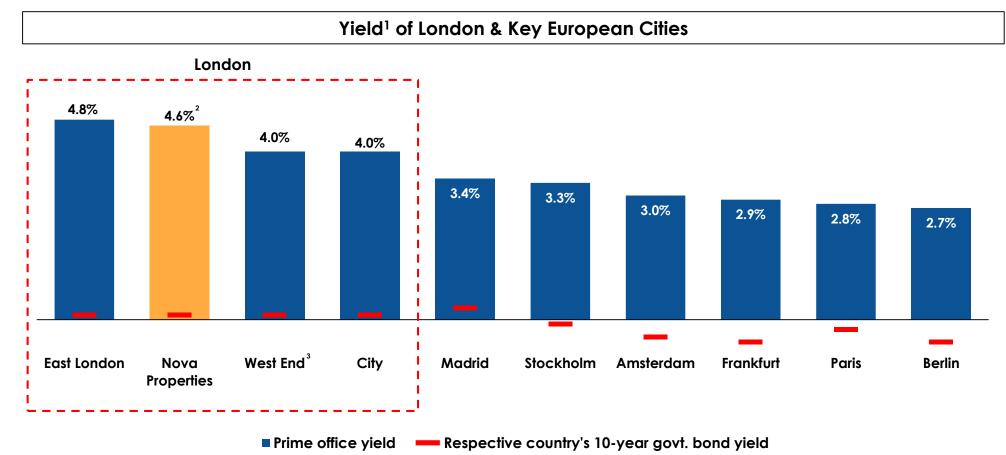

- Companies are still evaluating office space needs
- Impact on office demand will have a lagged effect due to the typical long lease tenure of approx. 10 years

Recovery of Economy in the Longer Term Will Positively Impact Demand for Office Space

Source: JLL Research dated September 2020

Acquisition of Prime Grade A Asset at Attractive Valuation

London Cap Rates Compare Favourably to European Counterparts

Notes:

- ¹ Based on passing income, expressed as a percentage of capital value, after adding notional purchaser's costs
- ² Based on passing income as at 30 June 2020 divided by total acquisition cost
- ³Based on property transactions which were more than £125 mil in value

Source: JLL Research dated September 2020

Recent Transactions in Central London

Property	Transaction Date	Size (sq ft)	Price (£ mil)	Capital Value (£ psf)	Yield ¹	Year of Building Completion / Major Refurbishment
Nova Properties, Victoria, SW1	2020 Q4	559,103	430.6 (50.0%	1,540	4.6 % ²	2016/2017
(the Acquisition)			interest)			
Sanctuary Buildings, SW1, West End	2020 Q1	225,428	300.0	1,331	4.0%	Major refurbishment completed in 2009
The Post Building, WC1, West End	2019 Q4	302,300	607.5	2,011	4.0%	2019
1 New Oxford Street, WC1, West End	2020 Q3	109,300	173.0	1,583	4.2%	Major refurbishment completed in 2017
25 Cabot Square, E14, Canary Wharf	2020 Q3	481,605	380.0	790	4.6%	Major refurbishment completed in 2020

Notes:

¹ Based on passing income, expressed as a percentage of capital value, after adding notional purchaser's costs

² Based on passing income as at 30 June 2020 divided by total acquisition cost

Benefits to Unitholders

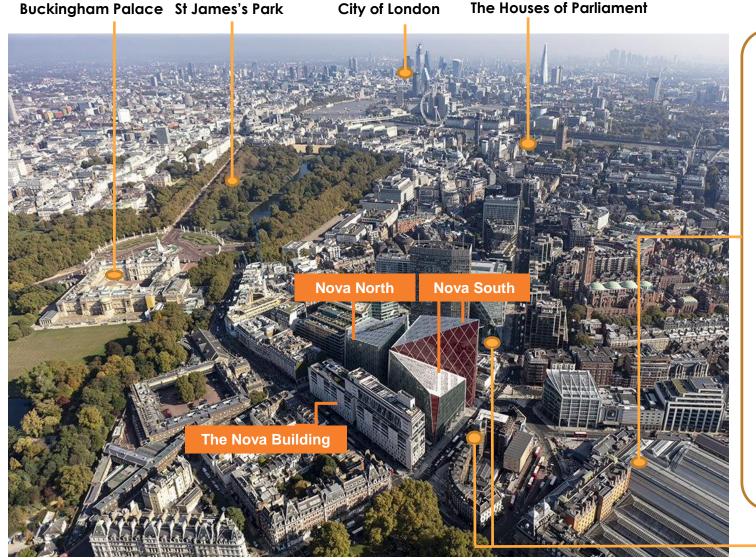

Note:

¹ Illustrative DPU accretion based on passing income as at 30 June 2020 compared with actual annualised 1H2020 DPU (before retention of 10.0% distribution)

High Quality, Grade A Property in Key Location

Strategically located opposite Victoria Station:

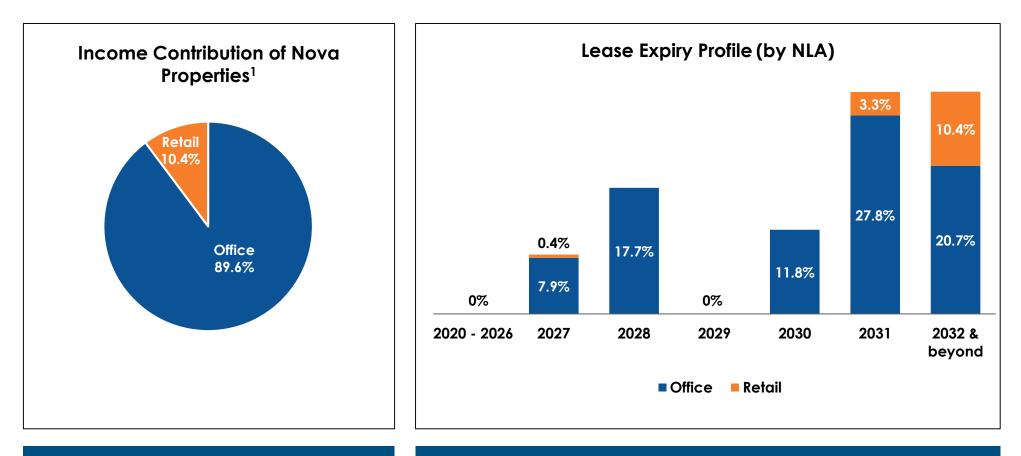

- 2nd busiest railway station in the UK
- Interchange for London Underground network and Victoria Coach station
- Direct train link to Gatwick Airport

Entrances to London Underground

Situated in the Heart of Victoria with Exceptional Connectivity

Stable Income with Long WALE

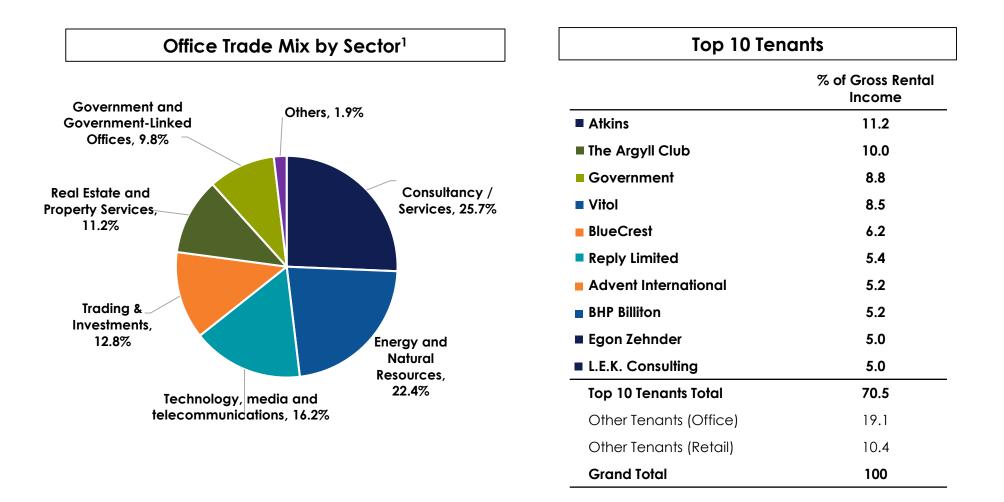

Strong Office Income Stream

Long WALE of 11.1 years to Expire²

Note: ¹ Based on committed monthly gross rental income as at 30 June 2020 ² WALE to Break of 10.0 years

Diversified Office Tenant Mix

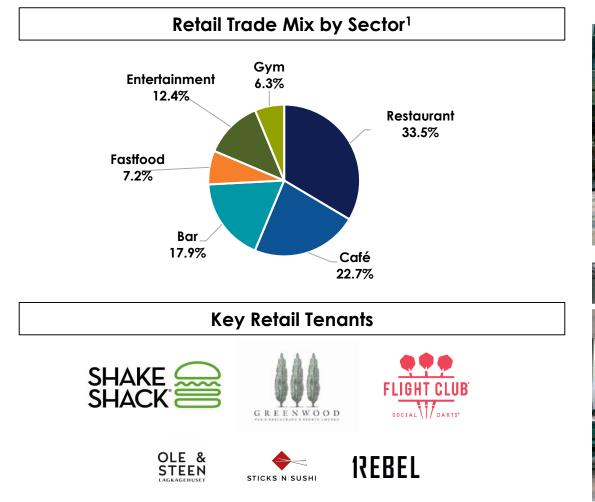

Non-Reliance on any Single Sector

Note:

¹ Based on committed monthly gross office rental income as at 30 June 2020

Ancillary Retail – Wide Variety of F&B to Support Office SUNTEC Community

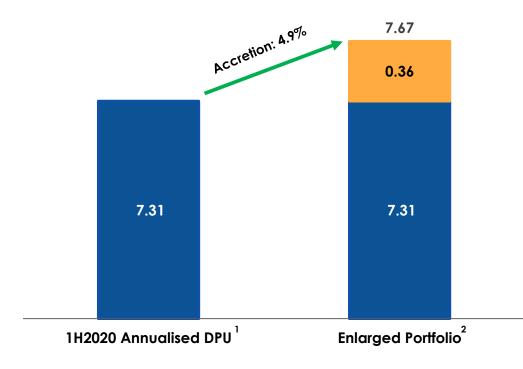

2-year Guarantee on Retail Income

Note: ¹ Based on committed monthly gross retail rental income as at 30 June 2020

DPU Accretive to Unitholders

DPU from Operations (cents)

Key Drivers

- NPI yield of 4.6%³
- 100% occupied with possible upside through rent review⁴
- 2-year guarantee on retail income

Capital Management

- Up to £200.0 mil loans in GBP to achieve natural hedge
- Up to S\$417.9 mil loans in SGD
- To hedge at least 50% of recurring GBP income

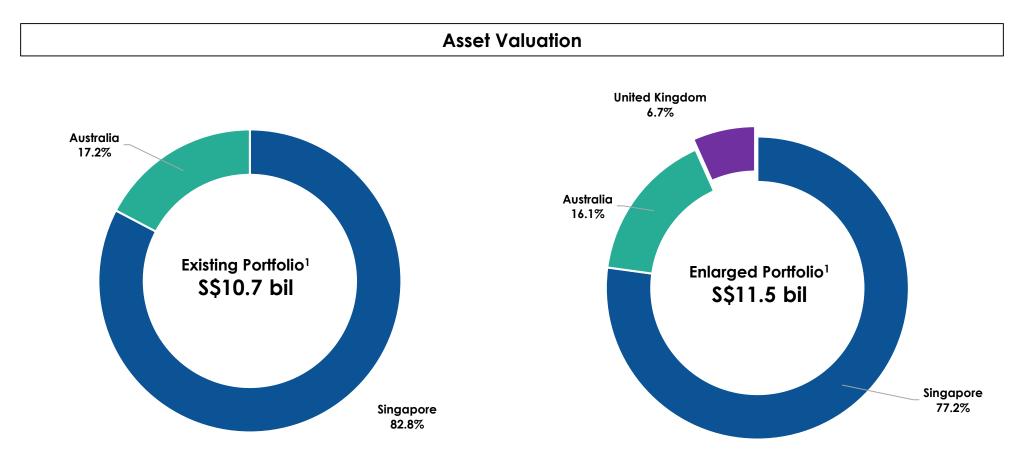

DPU Accretion of 4.9%

Notes:

- ¹ Before retention of 10.0% distribution
- ² Illustrative DPU accretion based on passing income as at 30 June 2020 compared with actual annualised 1H2020 DPU (before retention of 10.0% distribution)
- ³ Based on passing income as at 30 June 2020 divided by total acquisition cost
- ⁴Generally every five years at market or existing rent, whichever is the higher

Enhances Portfolio's Geographical Diversification

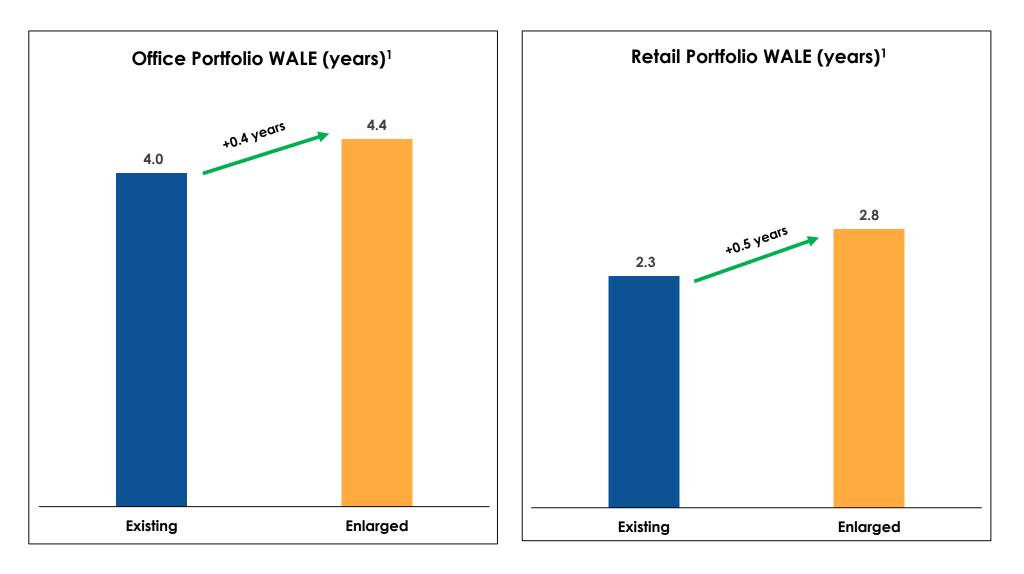

Note:

¹ As at 30 June 2020, including the additional capital injection in Suntec Singapore and the completion value of 477 Collins Street

Lengthens Portfolio's WALE & Increases Income Stability SUNTEC

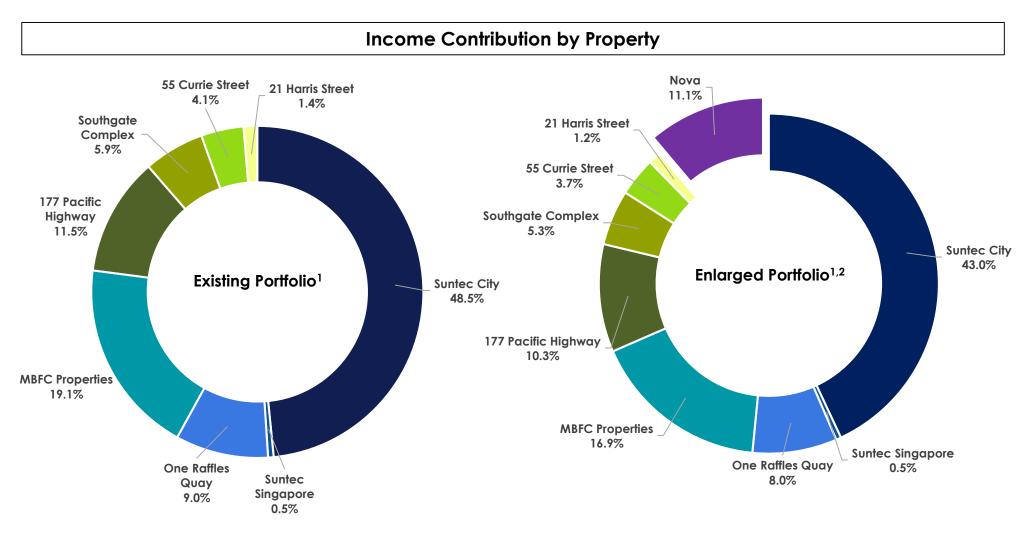

Note:

¹ Based on the NLA of Suntec REIT's interests in its respective properties as at 30 June 2020

Strengthens Portfolio's Resilience and Diversification

 2 Debt Headroom of approx. \$1,130 mil to reach ALR of 50.0%

³ Based on £200 mil GBP denominated loans and up to S\$417.9 mil SGD denominated loans

Unitholders' Approval and Timeline

Unitholders' Approval for the Proposed Acquisition of Nova Properties by way of an Ordinary Resolution

Key Terms of Joint Venture Agreement with Landsec Include:

- 1. Either party has a right of first offer ("ROFO") should the other party decide to sell its stake in the Property
- 2. Drag right on property sale at a price of not lower than 97.5% of the ROFO price if the ROFO is not exercised

Property Funds Appendix¹ requires a REIT to have a veto right over the sale of the asset where it holds through a joint venture. In respect of the property drag, the Manager has obtained a waiver from Monetary Authority of Singapore, subject to Unitholders' approval sought at a general meeting.

Events	Indicative Dates
Dispatch of circular and notice of Extraordinary General Meeting (EGM)	November 2020
EGM	December 2020
Completion of the Proposed Acquisition (subject to Unitholders' approval)	December 2020

Conclusion

Disclaimer

The information included in this release does not constitute an offer or invitation to sell or the solicitation of an offer or invitation to purchase or subscribe for units in Suntec REIT ("**Units**") in Singapore or any other jurisdiction.

This presentation may contain forward-looking statements that involve assumptions, risks and uncertainties. Actual future performance, outcomes and results may differ materially from those expressed in forward-looking statements as a result of a number of risks, uncertainties and assumptions. Representative examples of these factors include (without limitation) general industry and economic conditions, interest rate trends, cost of capital and capital availability, competition from other developments or companies, shifts in the expected levels of occupancy rates, property rental income, changes in operating expenses, property expenses and governmental and public policy changes and the continued availability of financing in the amounts and the terms necessary to support future business. Past performance is not necessarily indicative of future performance. Predictions, projections or forecasts of the economy or economic trends of the markets are not necessarily indicative of the future or likely performance of Suntec REIT. You are cautioned not to place undue reliance on these forward-looking statements, which are based on the current view of management on future events.

IMPORTANT NOTICE

- The value of Units and the income derived from them, if any, may fall or rise. Units are not obligations of, deposits in, or guaranteed by, ARA Trust Management (Suntec) Limited (as the manager of Suntec REIT) (the "Manager") or any of its affiliates. An investment in Units is subject to investment risks, including the possible loss of the principal amount invested.
- 2. Investors should note that they will have no right to request the Manager to redeem or purchase their Units for so long as the Units are listed on the SGX-ST. It is intended that holders of Units may only deal in their Units through trading on the SGX-ST. The listing of the Units on the SGX-ST does not guarantee a liquid market for the Units.
- 3. The past performance of Suntec REIT is not necessarily indicative of the future performance of Suntec REIT.
